

World Environment Day

05 JUNE 2024

Innovative Ideas Competition

Do you have a groundbreaking idea to combat land degradation and build resilience against drought?
Share your innovative solutions and contribute to a sustainable future!

Theme: Land Restoration, Desertification, and Drought Resilience

We're looking for:

- Innovative: Fresh ideas and unique approaches will impress our judges!
- Sustainable: Your invention should benefit the environment in the long run.
- Feasible: Think about how your invention can be realistically developed and used.

How to Participate:

- Submit your idea online via Google Forms.
- Include a brief description of the materials used and the concept.
- Submit up to 5 high-quality photos and a short video (max 2 min.).

Prizes and Recognition:

Winners will be declared on 05/06/2024 and will receive exciting prizes and certificates of recognition.

Entry is free for all groups or individuals

Last Date of Entry: 31/05/2024
