

LET'S TAKE ACTION TOWARDS THE SUSTAINABLE DEVELOPMENT GOALS

The Sustainable Development Goals (SDG's) are the blueprint to achieve a better and more sustainable future for all. It is a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity.

Scan & Submit your Achieved Goals

IITM-EIACP would like to hear your contribution towards sustainable development goals to tackle climate change. You can submit individual or Organizational activity or contribution which support SDGs.

CLIMATE CHANGE ACTION PLEDGE

The Time for action is now if we wish to shape our tomorrow. Let's take Climate Change Action Pledge and become a "Climate Change Warrior".

Climate Change ”

ENVIRONMENTAL INFORMATION AWARENESS, CAPACITY BUILDING & LIVELIHOOD PROGRAMME (EIACP)

Environmental Information System, is a comprehensive network of environmental information centres located, across the country for environmental information collection, collation, storage, retrieval and dissemination to different users, which includes decision makers, researchers academicians, policy planners research scientists and general public. This scheme came into existence as a plan programme in 1983.

To reinforce India's efforts towards effective environment management, ENVIS scheme is revamped, as the "Environmental Information, Awareness, Capacity Building and Livelihood Programme (EIACP)". ENVIS, working on the thematic area "Atmospheric Pollution and Climate Change" Since 2003, is revamped now as EIACP Programme centre RP at, Indian Institute of Tropical Meteorology, Pune.

GREEN SKILL DEVELOPMENT PROGRAMME (GSDP)

GSDP is primarily conducted for skilling un-employed youth with green skill such as environmental protection, monitoring & management techniques. Practical Knowledge of such skills is wide requirement of industry, research organizations, governmental and non-governmental agencies. These sectors are potential employer of these skilled participants.

EIACP Programme Centre at IITM, Pune conducts two courses under government of India's priority project "Green Skill Development Programme (GSDP)" as part of the national wide initiative taken by EIACP (ENVIS) Secretariat, MoEF&CC.

1. Emission Inventory 2. Air Pollution Monitoring

LiFE is an India-led global mass movement

-  LiFE was introduced by Prime Minister Narendra Modi-at COP26 in Glasgow on 1 November, 2021-as a mass movement for "mindful and deliberate utilization, instead of mindless and destructive consumption" to protect and preserve the environment.
-  It aims to nudge individuals and communities to practise a lifestyle that is synchronous with nature and does not harm it.
-  Those who practise such a lifestyle are recognised as **Pro Planet People**.
